The request for a third day to
prepare for trial is granted
material
Paul Patton

Hon. Judge Crotty,

We write to request the Court's intervention and seek the Court's assistance in getting Mr. Schulte a third day in the Secret Compartmentalized Information Facility (SCIF). Currently Mr. Schulte visits the SCIF twice a week from about 10:00 a.m. to 2:30 p.m.

Unfortunately, given the volume of discovery, the classified nature of the motion practice, and the upcoming due dates, bringing Mr. Schulte to the SCIF twice a week is simply not sufficient for him to review the classified filings, in addition to discussing with counsel a specific response. We are overwhelmed with the amount of classified material in this case and given the CIA's refusal to engage in a proper classification review, we have no option but to request an additional SCIF day.

Thank you for your time and consideration of this request.

Respectfully submitted,
